

Class:

ZHUK

Type:

Fast Attack Craft - Patrol

Manufactured by:

U.S.S.R.

Used by:

Algeria, Angola, Bulgaria, Cuba, Ethiopia, Iraq, Mozambique, Nicaragua, Syria, U.S.S.R., Yemen

Length (feet):

75

Tons Disp. (full load):

50

Cruising speed (knots):

16

Max speed (knots):

30

Guns:

2 twin 14.5mm

Anti-Ship Missiles:

None

Other:

Notes:

An older patrol craft, used mostly in coastal waters

Class: **Sikorsky Seahawk**
Type: **LAMPS III helicopter**

Manufactured by:	U.S.A.
Used by:	U.S.A., Japan
Length (feet):	40
Take-off weight (lbs):	20,000
Cruising speed (knots):	145
Max speed (knots):	160
Guns:	None
Anti-Ship Missiles:	None
Other:	2 Mk 46 torpedos

Notes: This later model variant of the Army's Blackhawk helicopter is much improved over the LAMPS I helicopter

Class:	Kaman Seasprite
Type:	LAMPS I helicopter

Manufactured by:	U.S.A.
Used by:	U.S.A.
Length (feet):	38
Take-off weight (lbs):	12,800
Cruising speed (knots):	130
Max speed (knots):	143
Guns:	None
Anti-Ship Missiles:	None
Other:	Can carry torpedos or depth charges

Notes:	LAMPS stands for Light Airborne Multi-Purpose System, and is a U.S. Navy designation for their ship-based helicopters

PHM
PEGASUS

Class: Vosper-Thornycroft "121 ft"
Type: Fast Attack Craft - Gun/Missile

Manufactured by:	U.K.
Used by:	Venezuela
Length (feet):	121
Tons Disp. (full load):	170
Cruising speed (knots):	16
Max speed (knots):	41
Guns:	76mm or 40mm
Anti-Ship Missiles:	May have 2 Otomat
Other:	

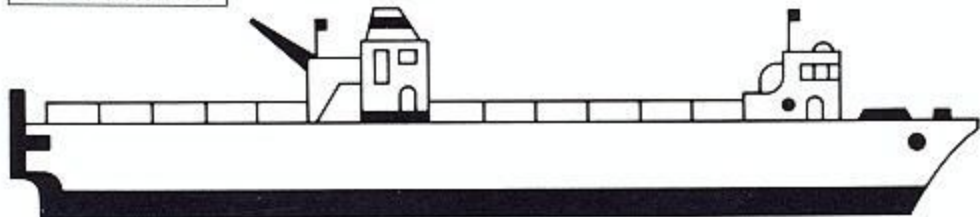

Notes: This is a variably armed ship. Some have the Otomat missile and a 40mm gun, used mostly for anti-aircraft. Others have only the 76mm Oto Melara

Class:	OSA I/OSAII*
Type:	Fast Attack Craft - Missile

Manufactured by:	U.S.S.R.
Used by:	Algeria, Bulgaria, Cuba, Egypt, E. Germany, India, Libya, Syria, Iraq, Romania, Poland, U.S.S.R.
Length (feet):	128
Tons Disp. (full load):	210/214*
Cruising speed (knots):	30
Max speed (knots):	38/40*
Guns:	2 twin 30mm
Anti-Ship Missiles:	4 SS-N-2A Styx
Other:	
Notes:	The SS-N-2C version of the Styx missile is six feet longer than the SS-N-2A of OSA I, and has almost double the range.

PHM
PEGASUS

Class:
Type:

SOVIET CARGO SHIP
Standard Soviet/Warsaw Pact
Cargo Carrier

Manufactured by:

U.S.S.R.

Used by:

Many

Length (feet):

200 and up

Tons Disp. (full load):

500 and up

Cruising speed (knots):

8

Max speed (knots):

15

Guns:

Unarmed

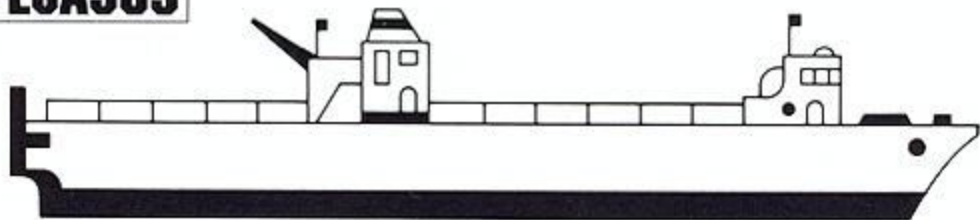

Anti-Ship Missiles:

Other:

Notes:

Used to transport a variety of goods.

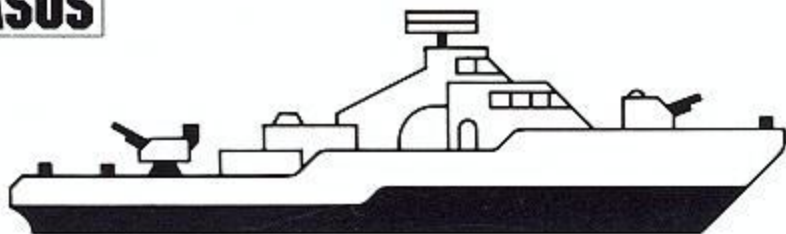

PHM
PEGASUS

Class:	Small Algol Variant
Type:	Special Fast Cargo Container Ship

Manufactured by:	U.S.A.
Used by:	U.S.A.
Length (feet):	250
Tons Disp. (full load):	2000
Cruising speed (knots):	20
Max speed (knots):	33
Guns:	Unarmed
Anti-Ship Missiles:	
Other:	

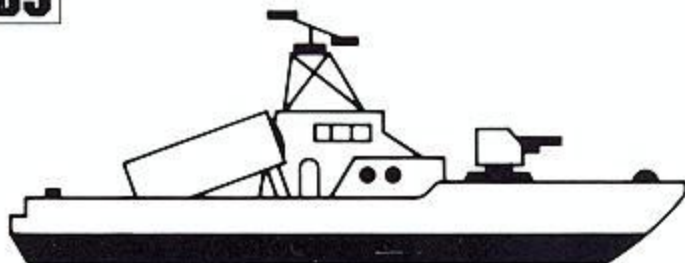

Notes:	Special ship designed for rapid movement of small, important cargo.
---------------	--

Class:	LARGE PATROL CRAFT
Type:	Standard Patrol Vessel

Manufactured by:	Many
Used by:	Many
Length (feet):	125
Tons Disp. (full load):	90
Cruising speed (knots):	15
Max speed (knots):	27
Guns:	Varies - twin 30mm or 40mm typical
Anti-Ship Missiles:	None
Other:	

Notes:	This is a generic class representing many similar lightly armed patrol vessels
---------------	--

Class:

KOMAR

Type:

Fast Attack Craft - Missile

Manufactured by:

U.S.S.R.

Used by:

Cuba, Egypt, North Korea, Syria, Vietnam

Length (feet):

88

Tons Disp. (full load):

85

Cruising speed (knots):

30

Max speed (knots):

40

Guns:

Twin 25mm

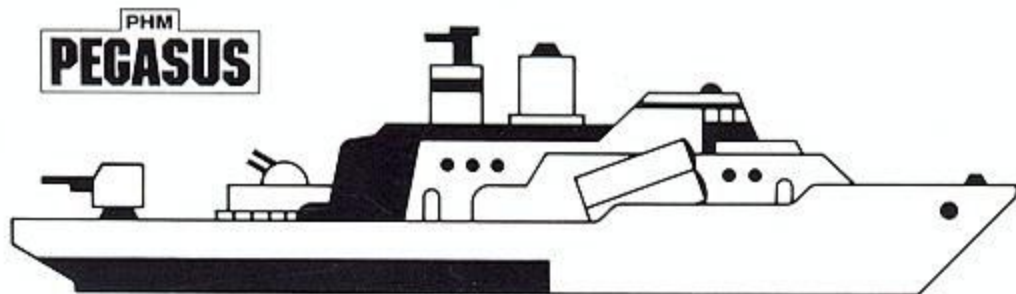

Anti-Ship Missiles:

2 SS-N-2A Styx

Other:

Notes:

This older class of ship has less endurance and range than the OSA

Class:
Type:

NANUCHKA II
Missile Corvette

Manufactured by:

U.S.S.R.

Used by:

Algeria, India, Libya, U.S.S.R.

Length (feet):

198

Tons Disp. (full load):

900

Cruising speed (knots):

15

Max speed (knots):

34

Guns:

Twin 57mm

Anti-Ship Missiles:

4 SS-N-2C Styx

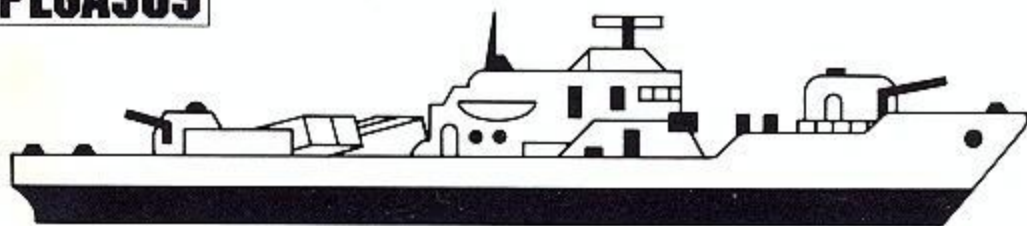

Other:

1 SA-N-4 Anti-aircraft missile launcher

Notes:

A Libyan ship of this class was sunk by US warplanes in April, 1986.

PHM
PEGASUS

Class:

ASSAD

Type:

Missile Corvette

Manufactured by:

Italy

Used by:

Libya, Iraq

Length (feet):

202

Tons Disp. (full load):

670

Cruising speed (knots):

14

Max speed (knots):

32

Guns:

76mm, twin 35mm

Anti-Ship Missiles:

2, 4, or 6 Otomat

Other:

6 Torpedo tubes, can lay mines

Notes:
